

Lab 4 - Cloud Data, Stat 215A, Fall 2025

October 14, 2025

Please use this structure for your report. Your report should be no more than 20 pages, including figures, but excluding bibliography and academic honesty. Do not include *any* code or code output in your report. Indicate your informal collaborators (outside your group) on the assignment, if you had any.

1 Introduction

2 EDA

3 Feature selection and engineering

4 Modeling

5 Bibliography

Include any references you used in your report here.

A Academic honesty Statement

Please include a joint academic honesty statement here. Do NOT include any of your names.

A.1 Collaborators

List any collaborators outside your group here.

A.2 LLM Usage

Coding

Writing
